

# OMNI Outlook

Spring 2006

A quarterly publication for members of OMNI Family Credit Union

## Welcome to OMNI Community Credit Union...

*We may have a new name but the friendly faces are still the same!*

These days, there's a lot happening at your credit union. We have a community charter that allows anyone who lives, works, worships or goes to school in Barry, Branch, Calhoun, Eaton, Kalamazoo or St. Joseph County to join the Credit Union. In February, the merger with KASTCO Credit Union became official. We are building a new branch that will open in November 2006 (see next article). And YES, we've changed our name to OMNI Community Credit Union.

Changing our name will help convey the message that everyone is welcome to join OMNI. Replacing "Family" with "Community" is reflective of our charter change and our desire to serve the people who live in Southwest Michigan. We are proud to have six offices in southwestern Michigan and we want everyone in those communities to know that our doors are open.

## We're building a new branch...

Construction will begin this spring on a new branch located near Fort Custer at the corner of Dickman Road and Avenue A in Springfield. The 3,600 square foot, full service facility will have four drive thru lanes and a drive up ATM. The branch is scheduled to be open for business in November 2006.

## That will open in November 2006
